

CURTIN ORIENTATION KICK OFF YOUR SEMESTER!

[Week one](#) | [Week two](#) | [Week three](#) | [Week four](#)

GET TO KNOW YOUR CAMPUS

Week one

There are plenty of UniMentor Campus tours for you to attend during week one of semester, as well as Library tours everyday during the week.

[Plan your tour and check out other week-one activities.](#)

BRUSH UP ON YOUR STUDY SKILLS

Week one

The Library will be holding Library Essentials workshops throughout week one of semester and the Learning Centre also has some great workshops for you to attend during week one, including:

- Time Management
- Mature Age Intensive
- Effective Reading
- Paraphrasing & Avoiding Plagiarism

[Put the polish on your study skills and check out all the week-one activities.](#)

GUILD EVENTS

Weeks one, two, three, and four

Apply for a bookshop grant, head to Guild Day, or attend a number of other activities run by the Curtin Student Guild.

[See the full list of Guild activities.](#)

TECH TROUBLES?

IT support staff are available in Abacus labs between 6am – 11pm every day of Semester. Building 303, 408 and 401, and Building 105, Room 325.

BUILD YOUR CAREER AND LEADERSHIP SKILLS

Week two

Week two offers you some great opportunities to start planning your career.

As well as the **Work Ready Careers Fair** itself, you can attend an earlier session that will teach you how to get the most out of the event.

Also throughout the week, attend workshops on **resume writing** and **leadership** to boost your prospects even further.

[Start planning your career and check out the other week-two activities.](#)

MEET STUDENT WELLBEING

Weeks two, three, and four

Sessions during weeks two, three and four will give you the opportunity to meet your Student Wellbeing Advisors.

[Drop in and see us or have a look at some other week-two activities.](#)

PLAN YOUR GLOBAL EXPERIENCE

Weeks two, three, and four

Learn about how you can go on exchange later on in your studies by attending one of several sessions during weeks two to four.

[See a full list of week-three activities.](#)

KEEP FIT AND STAY HEALTHY

Week one, two, three, and four

Keep fit during semester with free lunchtime fitness circuits and Free Fit Body Balance sessions at Curtin Stadium.

[Check all the fitness activities happening during semester.](#)
